2013 APRIL & BEYOND

Recruiting interest has picked up for Braden in the past few weeks. Coming from Alaska, very few if any college programs have seen him play and it's only now that we have game film on him. The next few months will see him play league games versus the top High School programs in Orange County including #1 ranked San Clemente, Dana Hills, and Capo Valley. Following the high school season Braden will continue to train and compete in club volleyball and the Junior Olympics.

BACKGROUND

Braden Hall is a standout three sport athlete and accomplished baritone saxophone player who relocated to Foothill Ranch, CA from Fairbanks, AK prior to his senior season. A late comer to Volleyball, Braden was a varsity letterman in Baseball and Basketball while in Alaska. Prior to his senior season, Braden had been playing club rec volleyball in Alaska and really enjoyed the quickness and competition of the sport. During the fall of 2012, Braden relocated with his Aunt and Uncle and participated on his first official high school level Volleyball team with the San Clemente Volleyball program coached by Trabuco Hills High School head coach Dave Hollaway.
